

## The Most Handy Guide for Parents of Fussy Eaters (The Most Handy Guide to Parenting)

Are you one of those parents who think your kid doesn't eat well? Have you been suggested that there is nothing to worry as children will never starve themselves? Yes? Then you gotta have this book. Ali has had the same problem with her first born. In *The Most Handy Guide for Parents of Fussy Eaters*, she explains why children can be picky eaters and what are the easiest ways to tackle the problem. It is a simple yet effective guide for all the mums and dads out there who are tired of nagging and forcing their kids to eat something.
