

## 101 Things Birmingham Gave the World

This is the book that proves that Birmingham is not just the crucible of the Industrial Revolution, but the cradle of civilisation. From the team behind hit Birmingham miscellany, Paradise Circus, comes the definitive guide to the 101 things that made the world what it is today - and all of them were made in Birmingham. Read how Birmingham gave the world the wonders of tennis, nuclear war, the Beatles, that smell of eggs and many more 97 more. 101 Things Birmingham Gave The World, is not a Birmingham of the memory. It is a living breathing thing, wrestling with the city's contradictions, press-ganging the typically arch and understated humour of the Brummie, and an army of little-known facts, both trivial and monumental, into reshaping its confusing reputation.
