

Moonshine Cocktails

Discover the secret world of moonshine cocktails. Fire up the still or snag some hooch and get mixing. Its time to discover the world of moonshine cocktails. Always infamous and often outlawed, moonshine is a high-proof distilled spirit, generally produced by home distillers, most often from corn mash. Corn whiskey is too intense for many and is extremely high in alcohol, making it a difficult drink to imbibe. Now more popular than ever due to its reputation, more and more people are turning to this inexpensive alcohol. Some folks are even making Tennessee white whiskey in their home distilleries. But how do you drink it, other than doing straight shots? An army of mixologists and bartenders, as well as distillers, have started providing an avalanche of cocktails to try make things with this colorless, odorless, high-octane spirit. And we've got the best right here. From the big-bad cocktail expert himself, Paul Knorr, comes Moonshine Cocktails. Learn how to take good ole white lightning and turn it into delicious, tasty mixed drinks.
