

A Journey To Wholeness

Weve all faced some type of negative experiences during our childhoodsome may not have been as traumatic as others, however the aches from those pains still exists and are evident in our present. This book is a journey to wholeness; a compilation of stories where the author revisits her past and the agonizing moments that once influenced her decision-making and quality of life all together. Nonetheless, she found Hope. Shes no longer suffering in silencefind out how she overcame defeat and smiled again. In this book, youll discover:How make peace with your past Why its important to forgive Why keeping secrets hinder growthThe fastest way to be free from self-victimization and the easiest way to be whole**The book also includes an area for self-reflection for your journey to wholeness!**
