

In the days of globalization speaking and writing good English is a must, not only for chemists. That good English stands the test of time can be proved by this long-selling title! Comments on this book: Chemists owe it to themselves to read this book, and a high proportion of those who do are likely to want a copy to keep all to themselves ... Journal of the American Chemical Society Recommended without qualification; and a suitable gift for friends. Chemical and Engineering News There are plenty of useful tips ... in this modestly priced bijou. Clinical Chemistry What recommends THE CHEMISTS English is above all its readability ... Angewandte Chemie This book is too good to be confined to chemists; the message is there for all scientists. Australian Broadcasting Commission. This book, which may well be one of a kind, is an utter delight. Carbohydrate Chemistry The book might well serve as a prescribed text for PhD students. Nature
