

ABCs for Rediscovering Family Connections: An Interactive Workbook for Caregivers

ABCs for Rediscovering Family Connections: An Interactive Workbook for Caregivers is a down-to-earth book with prescriptive tools to guide caregivers in how to acknowledge what they are doing well and to consider other things they could do to be more intentional and child-centered in their parenting approach. The spiral-bound book has a how-to-use guide, information on more conscious parenting, space for journaling, and coloring pages where family members can have fun personalizing the illustrations. Parents, keep this book where you can look at it daily. Study a new page each morning, soaking in a few of these valuable thoughts, and then enjoy the results of your growing family connections. --Jim Fay, cofounder of the Love and Logic Institute Inc.
