

Come, My Darling, Come

Michael Mosolino began his kitchen career as a boy in Florida, taking jobs that brought him in contact with great restaurants and chefs. To support his young life as a runaway, the life chronicled in this book, Michael had developed a passion for people and food that has earned him great respect in today's food industry. Mosolino spent his late teens in the Hamptons with his beloved aunt Gloria Jones, widow of James Jones, author of *From Here to Eternity* and *The Thin Red Line*. And for those who do love to cook and eat, the book includes several bonuses -- included are many of the author's favorite and most famous recipes and a DVD of several of his TV shows.
