

## Anointed To Be You

ANOINTED TO BE YOU addresses the ageold questions What on Earth am I here for? and Who am I? by looking at what God says about you. This book draws the reader into a personal encounter with the Creator that offers lifechanging truths and vision for their life. ANOINTED TO BE YOU is a collaboration of biblical examples along with personal testimonies from the author, revealing to the reader that they are called to do so much more than they have ever dreamed. It exposes the lies, labels, and limitations that have been placed on us all and helps the reader find a new level of freedom to be who God created them to be.
