

Apparition

The last time seventeen-year-old Amelia Mackenzie saw her best friend Matthew alive, he broke her heart. When he is found the next day in an abandoned barn at the edge of town, an apparent suicide, Amelias whole world comes crashing down. And then she sees him again. Because Amelia has a secret that even Matthew didnt know: sometimes, she sees ghosts. When a local history columnist named Morris Dyson contacts Amelia after the funeral and tells her that he thinks the barn Matthew died in is haunted, and that Matthew wasnt its first victim, an unlikely partnership is born. With Amelias gift for seeing ghosts, Morriss radical theories on the supernatural, and a bit of help from Morriss sexy but skeptical son, Kip, a mystery unfolds. One by one, the barns other ghostly residents are revealed: all innocent, love-struck young men whove died horrific deaths, seemingly by their own hands. Life and death couldnt get more complicated as Amelia is torn between her devotion to the ghostly Matthew and her growing attraction to Kip, who may not believe in ghosts but cant help believing in Amelia. When shes confronted with a rivalry between the living and the dead, which side of the great divide will Amelia choose? Apparition is a fast-paced supernatural mystery about memory and obsession, bodies and spirits, love and loss.
