

Beer (Visual Reference Guides Series)

Enter the world of beer with Visual Reference Guides: Beer! Through beautiful color photographs and insightful information, you'll discover beers from every significant brewing region and less well-known areas. Learn why beers taste the way they do, how to appreciate flavor, aroma, texture, and finish, and identify your own favorite style. Find out about the producers of beer—from their origins, history, and particular brewing processes. This definitive visual guide offers expert advice and information from a team of specialists, and is introduced by beer authority, Michael Jackson.
