

# Blessed Be Your Name: You Give and Take Away, My Heart Will Choose To Say

Worship is always a choice. During peaceful and pain-free times, the choice to respond to God in thanksgiving and praise may be relatively easy. But at other painful or confusing times in our lives, the choice to worship is a costly act of devotion. In the life of every worshiper there will come times when worship meets with suffering. In *Blessed Be Your Name*, Matt and Beth Redman use the words of their inspiring song to explore how to stand in the place of praise even in the face of hardship and pain. Focusing on the Psalms, many of which were written out of struggle, the Redmans share from their own experience and show how painful circumstances and our choices can either propel us toward God or away from Him, build up our faith or break it. Learn how to ride out the storms of life saying Blessed be Your name, Lord and mean it.
