The #1 New York Times bestseller and international phenomenon by Stephenie Meyer is now a major motion picture! Stephenie Meyer's *The Host* captured millions of readers around the world with one of the most unusual love stories ever written. Acclaimed director Andrew Niccol brings it to the silver screen with a star-studded cast, stunning visuals, and breathtaking special effects. Now this definitive companion book takes fans behind-the-scenes with extensive full-color photographs and exclusive interviews with the cast, crew, director, and producers, including Stephenie Meyer herself. Offering an intimate look at the filmmaking process, New York Times bestselling author Mark Cotta Vaz tells the inside stories behind the exotic locations, massive sets, and gravity-defying stunts, and shows how cast and crew come together to bring Meyer's extraordinary vision to life.
