

# Creating Extraordinary Joy: A Guide to Authenticity, Connection, and Self-Transformation

For 20 years, Chris Alexander has worked with business professionals and others, studying their interpersonal connection. He's found that emotional and spiritual connection is just as important as intellectual and physical connection. In this book, Alexander explains how to connect with others at all four levels, thereby empowering people to create the ultimate connection: love. In *Creating Extraordinary Joy*, Alexander takes readers on a journey of discovery. His ten Synergy Life Mastery Steps help readers discover who they are, where they are in life, and what they value highly, ultimately uncovering their authentic selves and true purpose.
