

## Armor of God (Crimson Sky Series Book 1)

Ryan Flanagan's life is on a downward spiral to destruction. He has strayed far from his Christian upbringing and his faith is non-existent. He shocks everyone when he walks away from a full scholarship to join the Marines. Almost immediately after this life-altering decision, he comes to a saving knowledge of Jesus. Never would he have expected that his enlistment would bring him to the woman the Lord had made specifically for him. Isabelle Kennedy's world has been shattered as a terrorist bombing claims the lives of both her parents in her native home of Ireland. At the Lord's leading, she leaves Belfast to enhance her education in England. It is here that she meets the handsome Marine that is far from home. Through many trials, fears, war and death, Ryan and Isabelle will build a relationship not upon shifting sand but rather upon the solid rock, Jesus Christ.
