

Learn, Act, Pray: A Devotional for Teens by a Teen

For All Teenagers Looking for a Great New Devotional This highly insightful book, written by Abby Mannion, delves into some of the major topics Christian teens work through on a daily basis. It provides a broad perspective on learning from the Bible and everyday experiences while also getting down to the details of how to work out your faith in action and prayer every day. Whats included in this devotional for teens? The book is divided into chapters, with each chapter focusing on one major topic and having three main sections: learn, act, and pray. You could spend multiple days or even weeks on just one chapter, digging further into the Scripture references or praying through practical ways to implement what you have learned. When you think about a devotional for teen girls or a devotional for teen boys, you might think of something that is watered down and very basic. Instead, the author calls the reader up higher, to live in a way that is honoring to God so as to ultimately have a more fulfilled life. Coming from the perspective of a teen, Christian teenagers reading the book will find it very relevant to their own lives. The Specifics After reading this devotional, you will be armed with a deeper knowledge of the Bible and how it applies to your everyday life. Youll also be challenged to walk out the principles you learn. Here are some of the specific topics included throughout the book: How the spiritual high feeling in and of itself could be dangerous Certain influences that can try to override the Holy Spirit in us Techniques for more focused Bible reading and prayer times Why Jesus commandments are not meant to be a burden Where you can begin to give of yourself as God pours into you
