

## Dicho y hecho: Beginning Spanish (Spanish Edition)

The Dicho y hecho that became one of the most widely used Spanish textbooks in the 20th century has evolved over the last two editions into an innovative language program fit for 21st century learners and instructors. Meant for a beginning Spanish sequence, Dicho y hecho: Beginning Spanish, 10th Edition Brief retains its characteristic easy-to-implement, lively approach, and preserves its emphasis on sound pedagogy and its commitment to innovation and a learning and teaching experience that is highly effective, flexible and enjoyable. Dicho y hecho, 10th Edition Brief employs a suite of online learning systems to bring language learning into the modern classroom while keeping it simple.
