

# 101 Family Meal-Time Devotions

You're convinced that Family Devo Time is a terrific idea, but like so many past attempts they just seem to fizzle out. The kids get bored, your spouse looks at you quizzically, and the whole experiment is quickly forgotten and packed away as yet another good intention. Guess what? It doesn't have to be that way! Each of these 101 five-minute readings will bring family devotions to life, helping your children (ages 6-12) develop important Christian values. Each devotional describes true-to-life situations at home and at school. Relevant scripture passages and thought-provoking questions are included to spark meaningful family discussion.
