

Building A Stellar Business: A Structured Guide to Financial Success

Four out of five small businesses fail. Let us help you improve your odds by helping you to get a strong understanding of your financials. Michele Johnson and Lorraine Kennedy have over 40 years experience in accounting and financial analysis and have put together a uniquely structured guide to helping you get organized in, and improve your understanding of, every financial aspect of your business. Start with a business check-up, add financial services support, build a strong business team and safeguard your assets. Use this guide to start you down the path of financial knowledge and to get the best and highest use out of all those who work for you, in and out of your business.
