

# Earnings and Quality of Female Labor in the Border Areas of Viet Nam and Implications for Greater Mekong Subregion Cooperation (Greater Mekong Subregion-Phnom ... for Development Management Research Reports)

This series features the scholarly works supported by the Phnom Penh Plan for Development Management, a region-wide capacity building program of the Asian Development Bank that supports knowledge products and services. It seeks to disseminate research results to a wider audience so that policy makers, implementers, and other stakeholders in the Greater Mekong Subregion can better appreciate and understand the breadth and depth of the regions development challenges.
