

## Extravagant Generosity: Planning Kit: The Heart of Giving

Stewardship programs rise or fall on their ability to do two things: first, provide church leaders easy-to-grasp yet comprehensive help in planning and implementing the program; and second, connect stewardship to the spiritual lives of all the members. Plenty of programs have good ideas, yet they fail to provide leaders with suggested sermons and orders of worship, e-mail messages, letters, newsletter announcements, marketing messages, and other detailed, practical help. Many programs talk about the role of giving in the spiritual life, but they fail to involve church members thinking and praying about their financial discipleship on a day-today basis. Created by Michael Reeves and Jennifer Tyler, Extravagant Generosity is built on Bishop Robert Schnases groundbreaking book *Five Practices of Fruitful Congregations*. Extravagant Generosity succeeds where other programs fail by offering the following:

- An overview timeline, providing quick information on what happens during each week of the stewardship campaign.
- A guidebook for leaders that covers all aspects of the campaign, from detailed plans for each of the four Sunday services to marketing materials like flyers and postcards to e-mail messages and letters designed to be sent to specific groups within the congregation all available on the enclosed CD-ROM.
- A book of devotions, *Practicing Extravagant Generosity*, designed to be distributed to all the members of the congregation, leading them through the Scriptures covered in each of the four weeks and encouraging them to understand financial discipleship in terms of their own mission to build Gods kingdom.
- A small-group leaders guide to host Sunday school and other small groups during the program using the devotional book.
- A DVD with video segments for four group-study sessions and short clips for use in worship.
