

Get Real, Get Ready, Get Going

Packed with personal stories about teens (Reality Bytes), mind-bending discussion starters (Lets Talk), daily devotionals (Truth Encounters), and cool ideas to help teens share their faith (Salt and Light), Get Real, Get Ready, Get Going is the perfect training guide to prepare teens for whatever the next year holds whether that's a short-term missions trip or another year in the chalkboard jungle. In each of four week-long sections, teens will explore what it means to be a Christian, get grounded in the basics of the Christian faith, learn to mature in seven important areas of spiritual growth, and discover how to pursue God's will for their lives. Written by the editor of Focus on the Family's Breakaway magazine, Get Real, Get Ready, Get Going is ideal for use by individuals, youth groups, small groups, Sunday school classes, and discipleship groups.
