

Fly Fishing Advice from an Old Timer: A Practical Guide to the Sport & Its Language

Whether you are new to fly fishing or just want to add some secrets to your own bag of tricks, its all right here: easy-to-follow explanations of the basics, in-depth discussions of advanced topics plus ingenious tips and entertaining anecdotes culled from the authors years of experience fishing steams from Alaska to Labrador to Costa Rica. When should you use emergers, caddis flies, midges, cripples? How do you choose the right rods and reels, lines and waders...and boots? Whats the real secret to landing a fish? Whats up with winter fly fishing? Youll find answers to questions like these along with advice on where to find more information on each of the topics covered -- web sites, articles, books, DVDs. Bibliography of 95 fly fishing books classic and contemporary with comments on whats most useful in each. PLUS 88 illustrations and photographs.
