

All of Grace

All of Grace outlines C.H. Spurgeons plan of salvation in clear, simple language that everyone can understand and be drawn to the Father. He shows that attempts to please God based upon our own works brings self-righteousness and coldness of heart. It is the free grace and mercy of God that makes the heart glow with warmth and thankfulness for Gods love. Who knows how many will find their way to peace by what they read here? A more important question to you, dear reader, is this--Will you be one of them? Spurgeons desire is to help the reader find the path to God and encourage him to follow. Meet me in heaven!!Whosoever will, let him take the water of life freely. -- Revelation 22:17 Charles Haddon Spurgeon was a British Baptist preacher known as the Prince of Preachers. He was a strong figure in the Reformed Baptist tradition, defending the Church in agreement with the 1689 London Baptist Confession of Faith understanding, and opposing the liberal and pragmatic theological tendencies in the Church of his day. In his lifetime, Spurgeon preached to approximately 10,000,000 people. He was a prolific author of many types of works including sermons, an autobiography, commentaries, books on prayer, devotionals, magazines, poetry, hymns and more.
