

Funklenkpanzer: A History of German Army Remote- and Radio-Controlled Armor Units

Hard cover, large format (9x12), hard cover, 610 pages total with 800+ photos, 32 pages of color artwork by Jean Restayn and 76 pages of organizational diagrams by Waldemar Trojca. This book is to the radio- and remote-controlled units as the Combat History of the schwere Panzerjäger-Abteilung 653 book was to the Elefant and the Ferdinand. An absolute must for the discriminating armor fan more than 800+ photos, most of which have been previously unpublished. Besides never-before published photos of the demolition carriers and the mine-clearing vehicles, there are hundreds of great shots of the command and control vehicles: the kleiner Panzerbefehlswagen, the Leitpanzer III, the Sturmgeschütz III and the Tiger.
