

## Ginger the Gangster Cat

Ginger returns from the dead - to commit the most cunning cat crime of the century. In Barcelona Perfect to read to children of any age and then sneak away and finish it yourself. When fat, scruffy Ginger meets cute little Sparky he finds that Sparky has hidden talents. Cor, I could really use him! he thinks and sets him to work begging tapas treats on the streets of Barcelona. But local gangster cats dont like him invading their patch and soon he has a battle royal on his hands. I enjoyed reading this, its very sweet and charming. Ruth Knowles, Editor, Random House Childrens Books Our team of readers all seemed to have great fun reading about Ginger and Sparky! Genevieve Pegg, Editor, Orion Books UK An entertaining and enjoyable little story, with a great plot and endearing well-drawn characters. Tahlia Newland, Awesome Indies My kids (6 and 8) were literally roaring with laughter as I read this to them at bed time. Deserves to do for Mr Kusy what Simons Cat has done for Mr Tofield. Cat Lit extraordinaire!
