

God in the Foxhole: Inspiring True Stories of Miracles on the Battlefield

Iraq, 2004... two enemies - a Nazi priest and an American G.I. - who served Communion Mass in a Belgian sanctuary in 1944... the prescient letter from a Civil War army major to his beloved wife, one week before his death at Bull Run... the 21st-century toddler with a jaw-dropping spiritual connection to a war hero of Iwo Jima... and dozens more. A war chronicle like no other, God in the Foxhole affirms, for military buffs and readers from all walks of life, the power of faith in the face of adversity.
