

Bombing Harvey

BOMBING HARVEY is a fact-based drama about a millionaire who tried to cover his gambling losses by planting a 1,000-pound bomb and extorting \$3,000,000.00 from a Lake Tahoe casino. Seen through the eyes of the extortionist's eldest son, this is a harrowing look at a man driven to some of the most extreme behavior imaginable by a gambling addiction, and the terrible consequences this behavior had on his family. The 1980 incident ended when authorities detonated the device and destroyed Harveys Resort Casino. John Birges, Sr. was caught after the offer of a half-million dollar bounty and a year-long investigation by the F.B.I. It all concluded with his conviction, along with his two sons and others involved. BOMBING HARVEY is unlike anything else you've ever read. An unforgettable tour de force from first page to last.
