

## Hercules: A Heroic Life

This unconventional biography of Hercules charts his life from his dramatic birth in Thebes to his agonizing death on a flaming pyre. Along the way, it recounts many long-forgotten yet revealing adventures and shows Hercules to be much more than just a muscle-bound hero. His life story, which mixes elements of tragedy and comedy, often makes uncomfortable reading: a rapist, drunkard, and transvestite, Hercules' excesses explore some of the darkest recesses of human nature.
