

Childrens Answers to Everything

According to Mia, aged 6, babies come from your mums tummy or from a tablet and according to Thomas, aged 6, to stop war we should go up to a policeman and get him to say stop to the world really loudly. Dont you just love kids? Theyre perspective on the world can be so innocent, so fragile, so pure and yet, so wise in its simplicity. Perhaps we can all learn a little bit from these answers. Marti Keefer has just penned a book Childrens Answers to Everything and that it is! 175 pages of photographs, quotes and answers to some of the most fundamental questions we as humans face! If you are looking for a different perspective on love, marriage, fairies, nature, religion, babies and peace.then this book is certainly worth a read.
