

Information About Bolivia (Classic Reprint)

Excerpt from Information About Bolivia
The climate of Cochabamba is very mild, and with the completion of the railroad from Oruro, the city will attain great progress and improvement. Sucre. Sucre, the legal capital of the country, is also an attractive city, with 20,000 inhabitants. There are numerous fine public and private buildings, and the city is the seat of the Supreme Court and the Archbishopric. Potosi. Potosi is famous for the richness of its silver mines, which during the Spanish dominion, produced silver to the amount of more than three thousand six hundred million dollars. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
