

The Spirited Business: Success Stories of Soul-Friendly Companies

This book gives you inside stories of a range of soul-friendly companies, insight into the secrets of their success, practical examples of the spirit at work in today's business world, ideas on how to translate this into your own workplace, and a 21-day program to transform your workplace and improve the bottom line through a soul-centered approach. The Spirited Business shows you how to create a working environment where the human spirit, and therefore the business, can thrive.
