

## Life in the Spirit

In *Life in the Spirit*, Robertson McQuilkin writes, The Holy Spirit is the source of our spiritual blessing, the administrator and executive officer of our triune God. So why do we so often neglect the power and presence of the Holy Spirit in our everyday lives? With fresh insights, this book reveals how the church has too often ignored the Spirit's influence and what we must do to get back to our spiritual roots. Foreword by Philip Yancey.
