

THREES (Triadic Texts Book 2)

Here is a stepping stone to a new world. It is a way to think consciously. It can be done by any and all. It involves bedrock basic understandings that are spelled out clearly. And a method of thinking that can be learned in a half hour. This book is worth any number of lectures, seminars and courses. It is an evolution past the superficial thinking that is common in our world. Amazing entry into who you are and can be. Remarkable insight into reality. And a welcome to the universal truth that embraces everyone, ?
