

Mellies Cowboy [Men of McKenna Downs 1] (Siren Publishing Lovextreme Forever)

[Siren LoveXtreme Forever: Erotic Cowboy Menage Romance, M/F/M/M/M/M, sex toys, HFN for M/F] Troubled by her past, Melanie Laurie leaves Boston and takes a job as a housekeeper for five men in the small town of McKenna Downs, South Dakota. She finds the dinky cowpoke town on the Great Plains fascinating with its menage relationships, but there's something different about the place that no one seems ready to divulge. On the way to her new job she gives a hunky cowboy a ride so he can return a stray calf to its owner, not realizing he's one of her bosses. Jake O'Neil takes one look at the curvy sweetheart and knows that she's the one for him, his three brothers, Greyson, Hunter, and Emmett, and their ranch hand, Diego Sanchez. All he has to do is convince the woman he's dubbed Mellie that he wants her as more than just the maid. Unbeknownst to them, a stalker looms in the shadows, determined that Melanie will be his. NOTE! You are purchasing Siren's newest serialized imprint, the LoveXtreme Forever Series. This is Book 1 of 5 in the Men of McKenna Downs collection. These books are not stand-alone. Each is a continuation of the previous book and must be read in the numbered order. The final book contains a happily ever after for the heroine and all her men. ** A Siren Erotic Romance
