GAMES! WHY DOES SHE PLAY GAMES? Learn about how women think and feel, and why they feel the way they do about you. And the greatest part? This is all information gained from numerous conversations with females of varying age groups. Check out the Sandy Says! Section for actual quotes from girls regarding the survey questions they were asked. The highlight of the book is the 50 question survey - The fifty things youve always wanted to ask - and the responses and percentages from real girls out in the world. The results are fascinating to say the least. Youll also enjoy the writing on the twenty most common games women play with men and the strategies regarding how to counteract them. Rounding out this great writing is the Guy Terms! section, a Guys Dictionary of the terms every guy should know. This is not a psychology book - it is a survival guide.
