

One New Dudette: Discover Your True Identity When You Trust What God Says (Insights Collection Book 8)

- 7 Solid Reasons To Change Your Mind & Your Life! - Discovering Your True Identity When You Trust What God Says Geared toward both the new Christian and mature Christian, One New Dudette reaches out to the non-Christian, as well. Since true identity is crucial to spiritual warfare and Gods grace, One New Dudette challenges its Reader to take a closer look at their intangible makeup. Specifically, the believer has only one nature/identity. More than this, the book is an encouraging read intended to lift an unnecessary burden in the life of the believer. With exhortations pointing to the finished, supernatural work of Christs Cross of Calvary, One New Dudette brings forth an insightful awareness of true newness. (SPECIAL NOTE: If you are a male, you will instead want to read, One New Dude - the male version of this book.)
