

Sparkles Cupcakes: The little black book of cupcakes

The book is built around the concept that cupcakes are the little black dress of the food world, and may be dressed up or down for any occasion. The book is the next frontier for existing little black books of fashion and manners. The book would fashionable bring together - gourmet cupcake recipes that arent impossible to make - minimalist decorating techniques that look amazing and stylish ways to present at the readers next function or gathering, perhaps even inspiring them to find a reason to celebrate
