

THE UNDERLYING TRUTH BEHIND AT RISK YOUTH: whos really to blame?

This is a radical empowerment book that provoke thought, and is aimed at helping individuals, families and communities. The Underlying Truth will easily prove to be one of the most essential documents to analyze guide that provides essential instructions to youth, parents, teachers, coaches, mentors, social workers, counselors, court personnel and others who are sincere about the main impediment to the health and future of society in general, but for the liberation of Black people in particular; At Risk Youth. This book is not just focusing on parents, but is holding everyone accountable. Mr Moor does not leave the subject after pointing the proverbial finger; the book is really about solutions to the problems that we all must deal with in the now and in the future
