

The Essential Guide to Aspergers Syndrome (Essential Guide To... (Alpha Books))

Aspergers Syndrome is a complicated condition that is often misunderstood and misdiagnosed. Parents and caregivers can often find themselves bewildered by the circumstances and accompanying behaviors that are associated with raising a child with Aspergers. The Essential Guide to Aspergers Syndrome is a goldmine of practical advice for dealing with many of the common situations that often confront Aspies and their parents. Through the practical and immensely helpful tips in this book parents will learn how to turn potentially stressful situations into calm, manageable moments. Authoritative and complete, this book provides must-have information on seeking a proper diagnosis, different treatment options, developing social skills, dealing with bullying, finding the right school, and helping the young adult with AS transition to college or more independent living. Helping everyone in the family thrive and survive the challenges of Aspergers, this book will be a guiding light to any parent with an Aspie child.
