

Routledge Library Editions: Anarchy (4 vols)

This set re-issues four books originally published between 1926 and 1989 and includes classics such as *The International Anarchy* by G. Lowes Dickinson, *The Anarchists* by James Joll and Bakunin on Anarchy by Sam Dolgoff, as well as David Goodways volume *For Anarchism*. There are many types and traditions of anarchism, not all of which are mutually exclusive. Anarchist schools of thought can differ fundamentally, supporting anything from extreme individualism to complete collectivism. This collection gives a snapshot of the main anarchist movements and their history and theories.
