

Screw Loose

A brilliant black comedy, *Screw Loose* casts a humorous absurdist lens on a group of ordinary 16-year-olds with ordinary problems. As a motley group of teenagers try to navigate the school year, it becomes clear that everyone has problems and no one knows quite how to solve them. Chelsea talks to Barbies and fantasizes about ruling the world. Angelo can't choose between his control-freak soccer club and his clean-freak girlfriend. Zeynep gets sent to live with the goats, Craig likes Matilda but Matilda prefers his dog, Joshua learns to love guinea pigs and on it goes. This quirky, chaotic, laugh-out-loud novel is about first love and new love, and dolls and dogs and soccer and baklava, and a fantastic big, fun, crazy party at the end. It's the perfect book for people who never quite go about things the right way.
