

## Ryan Howard: King of Swing

In this revised edition, the Philadelphia Phillies 2008 World Series Champion, Ryan Howard, steps up to the plate and goes deep with his greatest hits about life on and off the baseball field. Suitable for the young to adult reader, this interview-based story provides all the details for the hard-core fan wanting to learn more about the Phillies star. The National League MVP slugger blasts out words of wisdom, and gives you the inside pitch on what it takes to make it in the big leagues. Go on a long drive with Ryan, from his early years growing up in St. Louis, through his climb up the mountain to the big show and championship parade in Philly. Meet the characters and players who have helped shape the Big Kids appetite for hoagies and homers. Learn how the NL Rookie of the Year came out of the crib swinging, and ended up singing the sweet tune of success. Round the bases with Ryan, from his school years slinging the trombone, to his on-field antics with a new band of brothers. Listen carefully to the first basemans song, and you will hear the harmony and melody of an athlete blaring out notes with heart and soul.
