

Submarine: A Guided Tour Inside a Nuclear Warship (Tom Clancys Military Reference)

Only the author of The Hunt for Red October could capture the reality of life aboard a nuclear submarine. Only a writer of Clancys magnitude could obtain security clearance for information, diagrams, and photographs never before available to the public. Now, every civilian can enter this top secret world and experience the drama and excitement of this stunning technological achievementthe weapons, the procedures, the people themselves the startling facts behind the fiction that made Tom Clancy a #1 bestseller. Submarine includes: Exclusive photographs, illustrations, and diagrams Mock war scenarios and weapons launch procedures An inside look at life on board, from captain to crew, from training exercises to operations The fascinating history and evolution of submarines PLUS: Tom Clancys controversial views on submariner tactics and training methods
