

Tao in Ten (Ten Easy Lessons Series)

Tao in Ten is a simple, enlightened guide to living a life of balance and harmony. It includes ten simple lessons, each inspired by a principle of Taoism, which helps readers explore Taoist ideas, exercises, and meditations-without getting bogged down in esoteric philosophy. Each lesson is demonstrated through Taoist exercises -- some physical, some mental, and some spiritual. Readers will discover wu-wei, the act of nonaction; yin and yang, elements that are at once opposite yet the same; chi, our vital life energy; martial arts, as a means to nurture inner strength; as well as many other Taoist concepts. Readers can enjoy the Ten Easy Lessons series on its own, or in conjunction with the authors popular Simple series.
