

Tax Tips For Canadians For Dummies, 2009 Edition

Don't pay more tax than you have to! Filing your taxes doesn't have to be taxing. This fun and informative guide offers simple-to-use money-saving shortcuts that make doing your taxes a breeze. Whether you're self-employed, planning for retirement, or filing your taxes for the first time, this useful book provides strategies to assist you in planning for tax-time year round. Keep your records in order how to stay organized and how long you need to hold onto your records. Explore what's new for 2008 all the changes to federal, provincial, and territorial taxes and what they mean to you. Fill out your tax forms with ease line by line coverage so you don't miss a thing. Discover how to split your pension the inside scoop on how to pay less tax by splitting your pension income. Make smart personal finance decisions tips on how to manage your money so that you save big at tax time. Make the most of your deductions - from moving costs to home office expenses to your child's sports fees. Steer clear of an audit -- pointers to help you avoid becoming the CRA's target. Open the book and find: Which method of filing your return is best for you. What to do if you lose your receipts and records. How to turn capital losses into tax savings. Strategies to make the most of your RRSPs. Credits you can claim whether you're a student or senior. What you can deduct if you're self-employed. How to get your return as quickly as possible. What to do if you disagree with your assessment.
