

Reclaiming His Past (Smoky Mountain Matches)

No Possessions, No Memories, Not Even a Name! The wounded stranger found on Jessica OMalley's property has no idea who he is. And Jessica would be foolish to trust him after being proven so wrong about a former suitor who turned out to be a criminal. But Jessica's wariness toward the newcomer is soon turning to interest and hope. Until he knows his true identity, Grant can't make a life in this quaint Tennessee town. He certainly shouldn't be thinking so much about the feisty redhead with beautiful, guarded eyes. But even as he fights to keep a distance from Jessica, his feelings for her grow. And he can't help but wonder if he'll want to return to his old life when his past is revealed. Smoky Mountain Matches: Dreams of home and family come true in the Smoky Mountains
