

## Best-ever Baking Recipes

Over the years I have learnt to worry less and to bake more. . . For me, baking is something that comes from the heart. It connects you with family and friends, as well as traditions whether handed down, learned, or new. Baking is David Herberts passion. So when he decided to write a book about baking, he wanted to communicate some of the knowledge he has accumulated along the way, and to share treasured recipes. The result is an easy-to-use collection of delicious and reliable recipes that will both inspire novices and challenge seasoned bakers. David Herberts Best-ever Baking Recipes gathers more than 200 of Davids favorite and most sought-after recipes for cakes, muffins, scones, biscuits, slices, and tarts.
