

# The Complete Guide to Crystal Chakra Healing: Energy Medicine for Mind, Body, and Spirit

Crystals are natural energy-boosters, which protect us by detoxifying our physical, emotional and spiritual systems from stress, promoting well-being and serenity. This book explains exactly how to use a crystal pendulum to diagnose the health of a chakra and how to use a wealth of healing techniques to gently re-balance energy. There are in-depth sections on each chakra, with checklists of symptoms, plus profiles of over 100 amazing crystals you can find easily and use for healing. With everything you need to know about crystals, plus charts, photographs and step-by-step illustrations, exercises and case studies, The Complete Guide to Crystal Chakra Healing will guide you towards better health and, ultimately, a calmer, happier life.
