

1815 The Return Of Napoleon

This unique and atmospheric volume presents the dramatic story of Napoleons escape from Elba and march on Paris in the words of eyewitnesses and participants. Drawing on hundreds of firsthand accounts by Napoleons supporters and opponents, Paul Britten Austin recreates the drama of those tumultuous days of the spring of 1815 and throws light on the mixed French response to the unexpected return of their former emperor. 1815: The Return of Napoleon recreates, in the words of those present, Napoleons dramatic landing at Antibes in the south of France, the first heady days of his arrival after almost a year of exile, his almost miraculous march across France, his arrival in Paris, and the coup which led to the fall of the Bourbons. Paul Britten Austins technique, so brilliantly presented in his 1812 trilogy on Napoleons invasion of Russia, brings historical events to life and gives a dramatic insight into the hopes and fears of the French nation in that spring of 1815. The first of two volumes on Napoleon in 1815. This unique and atmospheric volume presents the dramatic story of Napoleons escape from Elba and march on Paris in the words of eyewitnesses and participants. Drawing on hundreds of firsthand accounts by Napoleons supporters and opponents, Paul Britten Austin recreates the drama of those tumultuous days of the spring of 1815 and throws light on the mixed French response to the unexpected return of their former emperor. 1815: The Return of Napoleon recreates, in the words of those present, Napoleons dramatic landing at Antibes in the south of France, the first heady days of his arrival after almost a year of exile, his almost miraculous march across France, his arrival in Paris, and the coup which led to the fall of the Bourbons.
