

Magick Without Tears

Magick Without Tears is a personal encyclopedia of magical instruction, annotated by experience and explained in unguarded language. Crowley covers: how to use the Qabalah as a tool rather than merely as a system of reference; the symbols of magick; etymology and its philosophy; the three major schools of magick--white, black and yellow--their approach to life and use of power; hints for meditation and astral projection; the I Ching; The Book of the Law; the Tarot; Astrology; the importance of talismans, lamens and pentacles; how to distinguish prophecy from coincidence; etc.; etc.
